

Dear Mahaupasika Wangmo Dixey and Mahaupasaka Richard Dixey

My name is **Samanera Viriyarakkhita**, I'm from the state of Mizoram in the northeastern part of India. I was born in the small village known as **Tara Boney**. My father is a farmer, and my mother is a housewife and I joined in **Mahabodhi Society** in the year of 2015. I become a novice Monk in the **Mahabodhi Centre Namsai** in **Arunachal Pradesh** and there I was for one year and in 2016 I came to Mahabodhi Society Bangalore to continue my higher studies in Dhamma and since then I have been learning and practising Dhamma at our Monastery.

In the academic year of 2023, I gained lots of Dhamma knowledge from our teachers. I found much peace in knowing about Suttas, Vinaya and Abhidhamma subjects to live a good spiritual life. Developing my mind with all the dhamma learning and practice to reduce the impurities of mind.

I would like to learn as much as I could so that I can share my dhamma knowledge with other fellow friends and devotees. How important it is to live a life of moral life that brings blessing and joy in the life of the people.

I would like to thank you all for helping and supporting me to develop in dhamma.

Apart from my dhamma studies I actively participated in all the dhamma activities and important Buddhist festival organised by our institution. I also had nice 8 days spiritual program in Rishikesh and attended it attentively and listen dhamma.

Wish you vey very Happy New Year (to you all) by the blessing of the Buddha, Dhamma, and Sangha and blessing of my teachers and myself may you all live happily, joyfully, and surround your life with peace and prosperity. May all your Family members be protected and progress on the path of dhamma and attain the liberation of Nibanna. I share my merits with all of you for your happy and long life.

Thank you

Sadhu! Sadhu! Sadhu!

From, Samanera Viriyarakkhita
