Dear Mahaupasika Wangmo Dixey ji and Upasaka Richard Ji,

I am venerable Viriya Rakkhita Samanera, from Maha Bodhi Society Bangalore and I am very happy and grateful to you and your team for supporting me in my monk Life, and for the Buddha Sasana. I am very happy that you and your team are taking care and fulfilling all needs for our studies and practice of Dhamma.

I learnt about the subject of Buddhavamsa, where I learned about the Buddha ‘s life after life and about the ten perfection and how a bodhisattva fulfils the perfection in their life. Abhidhamma syllabus of cettasika (mental factor) was wonderful and interesting subjects to learn and practice. Our teacher was Ananda Bhanteji. I and my classmates enjoyed his class very much and grateful to him for his valuable teaching.

Now as a part of our dhamma learning (Dhammaduta program) I am in the northeastern part of india at Tripura where we have a Mahabodhi branch, Mahabodhi Suknachari. I learn and practice dhamma under our senior incharge monk. I also have the opportunity to teach meditation and dhamma to the children at our school daily and lead them on moral life. We grow together in Dhamma.

I thank you very much for helping and supporting me to learn and develop in Dhamma. May this dana conduce to your wellbeing, happiness and progress on the path of Dhamma and attain the liberation of Nibanna. Whatever merits that I have done, I share the merits with you and your family.

May you enjoy good health and may you always be blessed by the triple gems. Thank you very much once again.
